Dear student and parents:	

In response to your inquiry about our class, the following should answer most of your questions. The course fee is \$450 which includes 30 hours of classroom instruction and 10 hours of behind the wheel instruction. It also includes class handouts, testing materials, Maine Motorist Handbook and Course Completion Certificate (which will be given out on completion of 30 hours classroom instruction, 10 hours behind the wheel driving, and a minimum grade of 80 on the permit test).

Required with the application is a \$100 deposit. The balance is due before the first class. Make check payable to *King's Bucksport Driving School*. An original birth certificate with one copy must accompany the application and a copy of the student's social security card. The original birth certificate will be returned to you at the first class. You may call us and arrange to bring these items in before your first class.

Should the student miss classroom times, he/she will have to make up the missed class during the next course scheduling. The state requires the exact class missed be completed before a completion certificate is issued. The student will not receive his/her completion certificate until all classroom and driving time is completed and all fees have been paid.

Parent and student both understand and agree that if the student fails the final exam three times, he or she will have to repeat the classroom portion of this course. At no time will the student be allowed to exceed a maximum of six months to complete this course.

If the student fails to keep a driving appointment, a \$35 missed appointment fee will be collected prior to any further driving time. You may cancel a driving appointment with a 24-hour advance notice. Missed appointments cause significant scheduling problems for staff and students. Please make sure you meet all of your appointments on time.

Important for the first class is to bring:

- 1. Prescription glasses or contact lenses if you wear them.
- 2. A 3-ring binder notebook for all of the handouts and workbook pages
- 3. A black pen and a highlighter marker.
- 4. And most of all, a good attitude that is ready and willing to learn.

We look forward to meeting you and spending time with you in class and behind the wheel. We want our time together to be challenging as well and enjoyable for you. Should you have any further questions or concerns, we would be more than glad to answer them.
