Dear student and parents:

In response to your inquiry about our class, the following should answer most of your questions. The course fee is \$475 which includes 30 hours of classroom instruction and 10 hours of behind the wheel instruction. It also includes class handouts, testing materials, Maine Motorist Handbook and Course Completion Certificate (which will be given out on completion of 30 hours classroom instruction, 10 hours behind the wheel driving, and a minimum grade of 80 on the permit test).

Required with the application is a \$100 deposit. The balance is due before the first class. Make check payable to *King's Bucksport Driving School*. An original birth certificate with one copy must accompany the application and a copy of the student's social security card. The original birth certificate will be returned to you at the first class. You may call us and arrange to bring these items in before your first class.

Should the student miss classroom times, he/she will have to make up the missed class during the next course scheduling. The state requires the exact class missed be completed before a completion certificate is issued. The student will not receive his/her completion certificate until all classroom and driving time is completed and all fees have been paid.

Parent and student both understand and agree that if the student fails the final exam three times, he or she will have to repeat the classroom portion of this course. At no time will the student be allowed to exceed a maximum of six months to complete this course.

If the student fails to keep a driving appointment, a \$35 missed appointment fee will be collected prior to any further driving time. You may cancel a driving appointment with a 24-hour advance notice. Missed appointments cause significant scheduling problems for staff and students. Please make sure you meet all of your appointments on time.

Important for the first class is to bring:

- 1. Prescription glasses or contact lenses if you wear them.**
- 2. A 3-ring binder notebook for all of the handouts and workbook pages**
- 3. A black pen and a highlighter marker.**
- 4. And most of all, a good attitude that is ready and willing to learn.**

We look forward to meeting you and spending time with you in class and behind the wheel. We want our time together to be challenging as well and enjoyable for you. Should you have any further questions or concerns, we would be more than glad to answer them.

BULLYING

The Board believes that bullying, including cyberbullying, is detrimental to student well-being and to student learning and achievement. It interferes with the mission of the schools to educate their students and disrupts the operations of the schools. Bullying affects not only students who are targets but also those who participate in and witness such behavior.

Bullying Prohibited

Bullying, including “cyberbullying,” harassment and sexual harassment are not acceptable conduct in Regional School Unit 25 (RSU 25) and are prohibited.

Retaliation for the reporting of incidents of such behavior is also prohibited.

In adopting this policy, it is not the Board’s intent to prohibit students from expressing their ideas, including religious, political and philosophical views that may offend the sensibilities of others, or from engaging in civil debate. However, the Board does not condone and will take action in response to conduct that directly interferes with students’ rights at school under applicable laws or with the educational mission, operations, discipline or general welfare of the schools.

Definitions

“Bullying” and “cyberbullying” have the same meaning in this policy as in Maine law:

Bullying

“Bullying” includes, but is not limited to a written, oral or electronic expression or a physical act or gesture or any combination thereof directed at a student or students that:

- A. Has, or a reasonable person would expect it to have, the effect of:
 1. Physically harming a student or damaging a student’s property; or
 2. Placing a student in reasonable fear of physical harm or damage to his/her property;

- B. Interferes with the rights of a student by:
1. Creating an intimidating or hostile educational environment for the student; or
 2. Interfering with the student's academic performance or ability to participate in or benefit from the services, activities or privileges provided by the school; or
- C. Is based on:
- a. A student's actual or perceived characteristics identified in 5 MRSA § 4602 or 4684-A (including race; color; ancestry; national origin; sex; sexual orientation; gender identity or expression; religion; physical or mental disability) or other distinguishing personal characteristics (such as socioeconomic status; age; physical appearance; weight; or family status); or
 - b. A student's association with a person with one or more of these actual or perceived characteristics or any other distinguishing characteristics; and that has the effect described in subparagraph A. or B. above.

Cyberbullying

“Cyberbullying” means bullying through the use of technology or any electronic communication, including but not limited to, a transfer of signs, signals, writing, images, sounds, data or intelligence of any nature transmitted by the use of any electronic device including, but not limited to, a computer, telephone, cellular telephone, text messaging device or personal digital assistant.

Retaliation

Retaliation means an act or gesture against a student for asserting or alleging an act of bullying. Retaliation also includes reporting that is not made in good faith on an act of bullying.

Application of Policy

This policy applies to bullying that:

- A. Takes place at school or on school grounds, at any school-sponsored or school-related activity or event or while students are being transported to or from school or school-sponsored activities or events; or
- B. Takes place elsewhere or through the use of technology, but only if the bullying also infringes on the rights of the student at school as set forth in the definition of “bullying.”

Consequences for Policy Violations

Students

Students who violate this policy may be subject to disciplinary action which may include suspension, expulsion or a series of graduated consequences including alternative discipline or other behavioral interventions.

The Board retains the right to impose disciplinary consequences for bullying and other conduct that occurs at any time or place that substantially disrupts the instructional program, operations of the schools or welfare of students.

Any student violating this policy may also be subject to civil or criminal penalties.

School Employees and Others

Administrators, professional staff and all other employees who violate this policy may be subject to disciplinary action up to and including dismissal, and in accordance with any applicable collective bargaining agreements.

Volunteers, contractors and visitors who violate this policy will be excluded from school property until the Superintendent is satisfied that the person will comply with Maine’s bullying law and this policy.

Any person violating this policy may also be subject to civil or criminal penalties.

Any school-affiliated organization that authorizes or engages in bullying or retaliation is subject to forfeiture of Board approval/sanctioning and/or suspension or revocation of its permission to operate on school grounds.

Staff Training

RSU 25 will provide professional development and staff training in bullying prevention and response.

Delegation of Responsibility

The Superintendent/designee will be responsible for developing and implementing procedures in accordance with applicable law to implement this policy.

The Superintendent will designate the school principal and/or other school personnel to be responsible for implementation/enforcement of this policy and associated procedures on the school level.

A student or his/her parent/guardian who is dissatisfied with a decision of the Superintendent or designee related to the taking or not taking of disciplinary action in the course of implementing this policy may appeal, in writing, to the Superintendent within 14 calendar days of notice of the decision.

The Superintendent's decision shall be final.

Dissemination of Policy

The Superintendent will be responsible for providing this policy, any associated administrative procedures and the names of the person(s) responsible for implementing the policy/procedure at the school level in writing to students, parents, school employees and volunteers in handbooks, on the school unit's website and by such other means (if any) as may be determined by the Superintendent.
